Dear Commercial Vendor:

The 22nd Annual Farmville Dogwood Festival will be held Friday, April 24th through Sunday, April 26th, 2009. For those of you who have attended in the past, thank you for your continued association with our festival and we hope that you continue to enjoy the event and our community. For those of you applying for the first time, welcome, and we trust that you will find our festival to be a rewarding and enjoyable experience.

All commercial vendors at our festival are located in the lined parking spaces fronting on Walnut Street and in the Town Hall lawn area and parking lot. This location surrounds the central festival venue and provides some of the highest volume visitor traffic areas. The lined parking spaces provide each vendor a space of approximately 20' X 10'. If your set-up is larger than 20' X 10' you must reserve additional spaces. The maximum number of spaces that will be assigned to any one vendor is three (3). A number of spaces are available that are supplied with a 110 volt, 20 amp electric power circuit. The cost for electric power is an additional \$50.00 per space. Requests for additional spaces and/or spaces provided with electric power are assigned on a first come, first served basis as determined by the date that we receive your completed application. In the interest of safety, the use of portable power generators and the sharing of electric power between vendors by utility cord is not permitted.

Although we try to accommodate any special location requests, the festival management will have the final authority concerning all space assignments. Please identify any location request or other special needs on your application.

The 2009 fees for Commercial spaces are \$225.00 for a single (20' X 10') space. Spaces provided with electric power are \$275.00 for a single (20' X 10') space. Please remember that a check for your requested space(s) must accompany your completed application.

The advertised hours for Commercial participants at the Festival are Friday 3:00 PM until 8:00 PM, Saturday 9:00 AM until 8:00 PM and Sunday 1:00 PM until 5:00 PM. All participants are required to operate throughout the Festival's advertised hours of operation. Participants that close and/or depart early may not be eligible to participate in future festivals. The amusement rides and some concert venues of the Festival operate until 11:00 PM on Friday and Saturday evening. Commercial participants may continue to operate until 11:00 PM on Friday and Saturday evenings as well, if they so desire.

Your application for the 2009 Dogwood Festival is enclosed. Please note the important information on the attached sheet and submit your application promptly. Feel free to contact us at (252) 753-5814 with any questions that you may have concerning the application process or the event.

We look forward to your being a part of the 22nd Annual Farmville Dogwood Festival!

Sincerely,

The Farmville Dogwood Festival Committee
