Dear Non-Profit Organization:

The 23rd Annual Farmville Dogwood Festival will be held Friday, April 23rd through Sunday, April 25th, 2009. For those of you who have attended in the past, thank you for your continued association with our festival and we hope you continue to enjoy the event and our community. For those of you applying for the first time, welcome, and we trust that you will find our festival to be a rewarding and enjoyable experience.

All non-profit participants will be located in 10' X 10' sized spaces on the grassy area on the west side and southwest corner of Town Common adjacent to Belcher Street. The total number of non-profit participants is limited to a maximum of eight (8) participants occupying the eight available spaces. As in previous years, this is not the appropriate application for non-profit participants wishing to sell food. Non-profit participants that desire to sell foods or food products will need to contact us in order to receive a food vendor application. Non-profit participants will be accepted on a first come, first served basis. Given the limited number of available spaces, your organization should submit their application as soon as possible.

Participants must bring all of their required setup materials, canopies and/or coverings, tables, chairs, etc. No utilities will be available at your exhibit space. In the interest of safety, no portable generators are permitted and the sharing of electric power between vendors by utility cord is not permitted.

Although we try to accommodate any special location requests, the Festival management will have the final authority concerning all space assignments. Please identify any location requests or other special needs on your application.

The 2010 fee for non-profit participants is \$50.00 for a single (10' X 10') space. This fee will apply regardless of whether a participant is conducting fund raising efforts or is simply distributing information and/or literature. Please remember that a check for your requested space must accompany your completed application.

The advertised hours for non-profit participants at the Festival are Saturday 9:00 AM until 8:00 PM. However, you may also operate on Sunday from 1:00 PM until 5:00 PM, if you so desire. All participants are required to operate throughout the Festival's advertised Saturday hours of operation. Participants that close and/or depart early on Saturday may not be eligible to participate in future festivals. The amusement rides and main concert venue of the festival operate until 11:00 PM on Saturday evening. Non-Profit participants may continue to operate until 11:00 PM on Saturday evening as well, if they so desire. Please note that you will not be able to gain vehicle access to your space to load-out until after 11:00 PM on Saturday evening.

Your application for the 2010 Dogwood Festival is enclosed. Please note the important information on the attached sheet and submit your application promptly. Feel free to contact us at (252) 753-5814 with any questions that you may have concerning the application process or the event. We look forward to your being a part of the 23rd Annual Farmville Dogwood Festival!

Sincerely,

The Farmville Dogwood Festival Committee
